Sir,

I have the honor to state that 1st class Hospital Assistant V.Thambuswami Pillai in charge of the Epidemic Diseases Hospital, Kolar Gold Fields, was in the temporary occupation of one of the Hospital Assistant's quarters attached to the new Civil Hospital at Robertsonpet. The latter Hospital having been opened from the 1st August 08, the -- quarters occupied by Thambuswami Pillai had to be vacated and made over for the occupation of one of the passed medical pupil attached to the Civil Hospital. Thambuswami Pillay now prays that he may be provided with free quarters close to the Plague Hospital, and the passed Medical pupil attached to the institution also has applied for the same concession as has been in the case of the two passed medical pupils employed in the Civil Hospital.

The Health Officer reports that a suitable house within easy reach of the Epidemic Disease Hospital is available, which, with the slight alterations that the owner has promised to make, can accommodate both the Hospital Assistants conveniently. The rent is Rs. 30 per mensem.

In my opinion the house ought to be rented by Government for the Hospital Assistants and I request early orders
